

Y Block

Y Block is one of the older Bien Nacido chardonnay blocks. It is located on the gravelly river banks of the Cuyama River, just opposite the winery. **Qupé** enjoys a monopoly on this fruit. This 2006 is quite typical for Bien Nacido Chard from a cool vintage. Learning more towards citrus and minerality and leaning away from, but still showing, some nice tropical fruit. It is quite firm in the mouth with mouthwatering acidity.
